**INTERSCIENCE INSTITUTE OF MANAGEMENT AND TECHNOLOGY
KANTABADA, KHURDA-BARANGA ROAD, BHUBANESWAR
ODISHA**

The IIMT Institution-Industry Cell is established to synchronize the quality of education to meet the current trends and needs of industry. With an effective IIC the institute aims to produce employable students i.e., “Industry-Ready students.”

The activities of the IIC are:

- To strengthen the relationship between industries and institutes as an ongoing interaction between the Industry and Institute is essential.
- It organizes symposiums, seminars, webinars and workshops by inviting the industry experts as resource persons to share the experience and expertise between institutions and industry for mutual benefits. This helps to integrate industrial training and other inputs to develop students.
- The IIC also arranges industrial visits, internships for students and guest faculty from industry experts.
- Industry Institute partnership reflects in equipping faculty to latest practices and makes the students industry-ready by providing exposure to current industry practices, and hones their skills to adapt changing technologies.
- The primary focus of IIC is to interact with elite industries and extend the efforts in establishing partnership with industries across the country in near future.
