LETTER OF INTENT

(ISSUED IN SUPERSESION OF COUNCIL'S EARLIER LETTER NO. OR/MBA/04/2007/001 DATED 27/04/2007)

THE CHAIRMAN/PRESIDENT
Learning Links Trust,
301 Exclusive apartment,
Madhusudan Nagar, Tulsipur
Cuttack- 753 008

Sub: Issuance of Letter of Intent for the establishment of new **PGDM** institution in the name and style of **Interscience Institute of Management & Technology, P.O. Kantabada, MZ Ghanga Patna, Bhubaneshwar 752 024**

Sir / Madam,

This is with reference to your application submitted to the All India Council for Technical Education (AICTE) for establishment of new technical institution **and this letter is issued in supersession of the earlier letter no. OR/MBA/04/2007/001 dated 27/04/2007.**

The proposal was processed as per the procedures, guidelines, policies and norms and standards of AICTE and I am directed to convey the decision of the Council to issue the letter of Intent (LOI) for the establishment of new **MBA** institution in the name and style of **Interscience Institute of Management & Technology, P.O. Kantabada, MZ Ghanga Patna, Bhubaneshwar 752 024**. This Letter of Intent will be valid for three years from the date of issue.

To facilitate further processing of the proposal for grant of approval, you are now required to furnish the following documents in one lot at the respective Regional Office, AICTE, and your proposal would be processed subsequently.

- A registered undertaking on non-judicial stamp paper of not less than Rs. 100/-, stating that the Institution shall abide by all the Regulations, Guidelines, Norms and Standards of the Council as applicable from time to time.
- A 'Refundable Performance Guarantee Fee (RPGF)' in the form of Joint Fixed Deposit for a period of 8 years in the name of the President/Chairman of the Society/Trust and the concerned Regional Officer of AICTE for an amount as applicable to the category of the institutions indicated below:

| Category of the institution | Refundable Performance Guarantee Fee |
|---|--------------------------------------|
| Engineering & Technology (Degree) | Rs 35.00 Lakhs |
| Pharmacy / HMCT/ Architecture / Applied Arts & Crafts (Degree) / MBA / MCA/PGDM | Rs.15.00 Lakhs |

The RPGF Fixed Deposit accounts shall be created with the banker's of the proposed institutions and receipt in original shall also be kept under the custody of the institution. The Regional Office of the AICTE shall keep the photocopy of Fixed Deposit receipt and Legal affidavit on Non-judicial stamp paper, indicating that the RPGF Fixed Deposit will not be encashed or modified, without prior consent of AICTE. The interest earned on the Fixed Deposit will be credited to the accounts of the institute and shall be utilized by the institute every year for appropriate use for the benefit of the students

- A non-refundable visiting fee of Rs. 50,000/- drawn in favour of The Member Secretary, AICTE on any nationalized bank payable at New Delhi.

Your proposal will be processed only on fulfillment of the conditions mentioned above.

Subject to the fulfillment of all the conditions mentioned above, an Expert Committee visit shall be arranged by the Council for verification of all the facilities required for establishment of a new institution.

The Visiting Expert Committee will verify the original documents and all the necessary infrastructural facilities required for establishment of a new institution as per norms of the Council as detailed below and also mentioned in the expert committee visit report.-

- Original documents related to the land for the proposed institution and the other existing institutions (if any) for verification. Documents (khasra Plan etc.) to check continuity of land.
- Land use certificate for the entire land of the proposed institution.
- The site plan for the proposed land in relation to the adjoining built up structures, road etc.
- The building plan for the proposed institution clearly mentioning the survey numbers of the land area.
- Whether the land of the proposed Institution has been fully developed with clear demarcations, either by a boundary wall / barbed wire fencing and all weather approach road to the Institution.
- Availability of clear-cut demarcation of the built up space for the proposed institution from the built up space for the existing institution/s (if any in the same land/premises).
- Whether the building is complete in all respects including plastering, internal electrification and effective conduct of classes etc. at least adequate for first year of the programme.
- Whether Permanent electrical and potable water connection is obtained.
- Whether all the required furniture and fixtures are in place as per requirements.
- Whether books and Journals, as per Norms and Standards, have been procured, stamped and entered in the Accession Register.
- Whether equipment, as per syllabus of first year, has been procured and is ready for use.
- Whether copy of advertisement for recruitment of faculty, composition and proceedings of selection committee meeting are available.
- Whether Director / Principal has been appointed, and faculty identified and their consent letter for joining the institution obtained.
- Whether adequate operational funds as per AICTE norms are available in the form FDR/ Savings Account/Current Account in the name of the Society/Trust for all the institutions run by the Trust.

The Expert Committee while examining the infrastructure / facilities will verify as to whether the development is in consonance with the proposal in the DPR and shall get a complete video CD of all the facilities.

The Expert Committee report shall be processed as per the revised Approval Process and the final decision for grant of approval or otherwise shall be communicated to all the concerned by AICTE, subsequently.

The applicant Trust / Society is hereby informed that issuance of LOI by AICTE does not entitle it automatic grant of Approval. The proposed institution cannot commence any educational activity and admit students based on LOI.

Thanking you,

Yours faithfully,

(Dr. K. Madhu Murthy)

5. All AICTE institutions are highly encouraged to get NBA/NAAC accreditation. All eligible AICTE institutions are thoroughly encouraged to participate in NIRF ranking process.
6. Deemed to be University: Institutions Deemed to be Universities (Running Technical Education Programmes), it is mandatory to have AICTE approval from the Academic Year 2018-19 in compliance of the Hon'ble Supreme Court Order dated 03-11-2017 passed in CA No.17869- 17870 /2017.
7. AICTE Approved Institutes are encouraged to utilize SWAYAM PLUS Courses up-to 40%
8. Internship is mandatory for all admitted students.
9. AICTE Approved Institutes are encouraged to make efficient use of the flagship schemes like:
 - a. Parakh: Student Gap analysis portal bases services.
 - b. Students Scholarship schemes like Pragati, Saksham, Swanath, ADF, etc.
 - c. Course in Indian Languages.
 - d. ATAL FDPs: Faculty training for Emerging areas and cutting edge Technologies.
 - e. Augmenting Utilization of Research Assets (AURA).
 - f. Smart India Hackathon: World's largest Open Innovation Platform.
10. AICTE gives approval to Institutions based on the norms / standards prescribed by the Council from time to time. To get permission from State Government/ Affiliating University /Board to conduct all approved intake by AICTE is the sole responsibility of the Institution.

Management Quota Details

Admissions under Management Quota, if applicable, are made strictly as per the norms and guidelines of **AICTE**, New Delhi and **BPUT, Odisha, Rourkela** Government of Odisha .

Admission Procedure

Admission Test Followed

Admissions to various programmes are based on the entrance examinations conducted at the national and state level such as **OJEE, JEE Main, CAT, MAT, and ATMA etc** as applicable for different programmes.

Test Agency & Website

| Entrance Test | Conducting Body | Website |
|---------------|---|---|
| OJEE | Odisha Joint Entrance Examination Committee | https://ojee.nic.in |
| JEE Main | National Testing Agency (NTA) | https://jeemain.nta.nic.in |
| CAT | Common Admission Test | https://iimcat.ac.in |
| MAT | All India Management Association | https://mat.aima.in |
| ATMA | Association of Indian Management Schools | https://atmaaims.com |

Admission Calendar

The admission process generally follows the schedule prescribed by the competent authorities such as **All India Council for Technical Education, Biju Patnaik University of Technology**, and the **OJEE Committee, Odisha**.

Admissions normally commence after the declaration of entrance examination results and counselling conducted by the concerned authorities.

Refund Policy

Refund of fees, if any, shall be made in accordance with the guidelines issued by **AICTE** and the Government of India from time to time.

Admission Test Weightage

Admission to various programmes is primarily based on the score obtained in the entrance examinations such as OJEE, JEE Main, CAT, MAT, and ATMA as applicable.
Weightage: 100%

Qualifying Exam Weightage

The minimum qualifying examination (such as +2 for B.Tech and Graduation for MBA/MCA) is considered as per the eligibility criteria prescribed by the competent authorities.

Cut-off (Last 2 Years)

The cut-off marks / ranks for admission vary each year depending on the number of applicants, difficulty level of the entrance examination and counselling conducted by the respective authorities such as OJEE Committee.

Results of Admission Under Management Seats Selection Committee Composition

The Selection Committee for admission under management quota consists of the following members:

Chairman / Director of the Institute

Principal / Head of the Institution

Dean & Student welfare

Admission Coordinator / Admission Committee Member

The committee ensures that the admission process is conducted fairly and transparently as per the guidelines of All India Council for Technical Education, Government of Odisha and the affiliating university Biju Patnaik University of Technology, Odisha.

List of Admitted Candidates

The list of candidates admitted under management quota is displayed on the institute notice board and maintained in the admission records of the institute.

Waiting List

A waiting list of eligible candidates is also prepared and maintained. Candidates from the waiting list are considered for admission if seats remain vacant after the initial admission process.

Infrastructure and Other Resources

Classrooms

The institute has well-furnished and spacious classrooms equipped with modern teaching aids such as LCD projectors, whiteboards and audio-visual facilities. The classrooms are designed to provide a comfortable and interactive learning environment for students. Separate classrooms are available for undergraduate and postgraduate programmes with adequate seating capacity.

Number of Class Rooms and size of each

| Room No | Type | Size (Sq.m) |
|----------------|-------------|--------------------|
| MB-103 | Classroom | 68 |
| MB-104 | Classroom | 68 |
| MB-110 | Classroom | 67 |
| MB-209 | Classroom | 68 |

| MB-214 | Classroom | 80 |
| MB-215 | Classroom | 68 |
| EB-113 | Classroom | 68 |
| EB-222 | Classroom | 68 |

Total Classrooms: 11 Nos

Tutorial Rooms

The institute has dedicated tutorial rooms designed for small group discussions, mentoring sessions, and interactive learning activities. These rooms provide a conducive academic environment where students can clarify doubts, participate in problem-solving sessions, and engage in collaborative learning under the guidance of faculty members.

The tutorial rooms are well-ventilated, adequately furnished, and equipped with necessary teaching aids to support effective academic interaction.

|----------------|--------------------|
| EB-118 | 34 |
| EB-124 | 34 |
| EB-216 | 42 |

Laboratories

The institute has well-equipped laboratories for different engineering and technology disciplines. The major laboratories include Computer Programming Laboratory, Data Structure Laboratory, Network Security Laboratory, Cyber Security Laboratory, Electrical Engineering Laboratory, Artificial Intelligence Laboratory, Machine Learning Laboratory, Deep Learning Laboratory, Physics Laboratory and Chemistry Laboratory. These laboratories are equipped with modern instruments and facilities to support practical learning, experimentation and research activities

Number of Laboratories and size of each

| Laboratory | Size (Sq.m) |
|-----------------------------|--------------------|
| Computer Programming Lab | 70 |
| Data Structure Lab | 70 |
| Network Security Lab | 69 |
| Cyber Security Lab | 70 |
| Electrical Engineering Lab | 68 |
| Artificial Intelligence Lab | 70 |
| Machine Learning Lab | 75 |
| Data Science Lab | 75 |

| Laboratory | Size (Sq.m) |
|------------------------------------|--------------------|
| Basic Electrical Lab | 86 |
| Basic Electronics Lab | 86 |
| Engineering Drawing & Graphics Lab | 120 |

Total Laboratories = 14 Nos

Computer Centres

The institute has dedicated computer centres with modern computing facilities and high-speed internet connectivity. Multiple computer centres and computing laboratories are available to support programming, software development, networking and data analysis activities. The computer centres are equipped with updated hardware and software to meet academic and research requirements of students and faculty members

| Computer Centre | Size (Sq.m) |
|------------------------|--------------------|
| Computer Centre-1 | 75 |
| Computer Centre-2 | 76 |
| Computer Centre (PG) | 75 |

Total Computer Centres = 3 Nos

Central Examination Facility

The institute has well-equipped and spacious examination halls and seminar halls for conducting internal as well as university examinations in a systematic and disciplined manner. These facilities are designed to ensure a fair, transparent and comfortable examination environment with adequate seating arrangements, proper lighting, ventilation and necessary supervision arrangements. The details of the examination rooms and their seating capacity are given below:

| Examination Room | Capacity (Students) |
|-------------------------|----------------------------|
| Examination Hall – 1 | 120 |
| Examination Hall – 2 | 100 |
| Seminar Hall-I | 100 |

Total Examination Rooms: 3 Nos.

These halls are well-ventilated and equipped with adequate seating arrangements, lighting, and supervision facilities to ensure smooth conduct of examinations.

Online Examination Facility

The institute has well-equipped computer centres with high-speed internet connectivity to facilitate smooth and secure conduct of online examinations. The computer centres are supported by reliable broadband internet services with adequate bandwidth to ensure uninterrupted online assessment and examination activities.

The institute is currently using two Internet Service Providers (ISPs):

WEFE Broadband – 100 Mbps

Jio Broadband – 100 Mbps

These dual internet connections ensure stable connectivity, backup support, and seamless operation of online examinations and other digital academic activities.

The institute has four computer centres equipped with modern desktop computers. Each centre has 40 networked computers, making a total of 160 nodes, all connected through high-speed internet for academic activities, programming, laboratory work, and online examinations.

| Computer Centre | Number of Desktops / Nodes |
|------------------------|-----------------------------------|
| Computer Centre – 1 | 40 |
| Computer Centre – 2 | 40 |
| Computer Centre – 3 | 40 |
| Computer Centre – 4 | 40 |

Total Computer Centres: 4 Nos.

Total Number of Nodes: 160

Barrier Free Built Environment

The institute provides a barrier-free and inclusive campus environment to ensure convenient access for differently-abled persons. The campus infrastructure includes ramps, accessible pathways, and suitable entry points that enable safe and comfortable movement within the academic buildings and other facilities. These provisions are

designed to promote accessibility, inclusiveness, and equal opportunity for all students, staff, and visitors across the institute premises.

Fire and Safety Certificate

The institute has implemented necessary fire prevention and safety measures across the campus to ensure the safety and well-being of students, faculty and staff. Adequate fire safety equipment such as fire extinguishers and other safety arrangements are installed at appropriate locations in the academic and administrative buildings. The institute follows the prescribed safety norms and guidelines issued by the competent authorities.

Hostel Facilities

The institute provides separate hostel facilities for boys and girls within the campus to ensure a safe, comfortable, and disciplined residential environment for students. The hostels are well-maintained and equipped with essential amenities required for a comfortable stay.

Each hostel room is provided with an attached bathroom, along with basic furniture such as bed, mattress, pillow, study table, chair, fan, and adequate lighting to support both living and study requirements of the students.

The hostels are equipped with Wi-Fi connectivity to facilitate academic activities and online learning. Proper dining facilities are available through the hostel canteen/mess, which provides hygienic food for the resident students.

For effective management and supervision, the hostels are administered by a Hostel Warden and Superintendent. In addition, 24×7 security arrangements are in place to ensure the safety and well-being of students residing in both boys' and girls' hostels.

Number of Library Books / E-books / Journals

The institute has a well-equipped and resourceful central library that supports the academic and research needs of students and faculty members. The library houses a rich collection of textbooks, reference books, national and international journals, magazines, and other learning resources related to various disciplines.

In addition to printed materials, the library also provides access to digital resources including e-books, e-journals, and online academic databases to enhance teaching, learning, and research activities. The library offers a quiet and conducive reading environment along with adequate seating facilities for students and faculty.

| Programme Name | Number of Titles | Number of Volumes | Journals Published in India | Journals Published Abroad | No. of e-Book Titles | No. of e-Book Volumes |
|--------------------------|-------------------------|--------------------------|------------------------------------|----------------------------------|-----------------------------|------------------------------|

| Engineering & Technology | 122 | 3556 | 12 | 12 | 120 | 900 |

List of Online National / International Journals

The institute library provides access to a wide range of online national and international journals to support teaching, learning, and research activities of students and faculty members. These journals cover various disciplines such as Management, Computer Applications, Engineering, Technology, and Interdisciplinary Research.

Students and faculty members are encouraged to access these journals for academic reference, research publications, and knowledge enhancement. The availability of these journals helps in keeping the academic community updated with the latest developments in science, technology, management, and innovation.

[National Digital Library \(NDL\) Subscription](#)

The institute is a registered member of the National Digital Library of India (NDL) and has established an NDLI Club to promote digital learning and academic research among students and faculty members. The institute joined the NDLI Club on 2 April 2021.

Through the NDLI platform, students and faculty members have access to a wide range of digital learning resources including e-books, journals, lecture notes, research papers, videos, theses and other academic materials across various disciplines such as management, engineering, computer science and technology.

The NDLI Club also encourages students and faculty members to participate in reading activities, awareness sessions and global academic events organized through the NDLI platform.

List of Major Equipment/ Facilities in each Laboratory

The institute provides well-equipped laboratories to support practical learning, experimentation and research activities for various programmes such as **B.Tech Computer Science & Engineering, Cyber Security, Artificial Intelligence & Machine Learning, Civil Engineering, Mechanical Engineering, Electrical Engineering, M.Tech (CSE – AI & ML), MCA and MBA.**

These laboratories are equipped with modern instruments, computing facilities and experimental setups required for academic and research purposes.

Computer Science & Engineering / AI & ML / Cyber Security Laboratories

Major equipment and facilities include:

- High-performance desktop computers and workstations
- Servers and networking equipment (switches, routers, LAN setup)
- Programming and software development tools
- Artificial Intelligence and Machine Learning software tools
- Cyber Security tools and network security simulators
- Data Science and Python programming environments
- High-speed internet connectivity and cloud access

Civil Engineering Laboratory

Major equipment and facilities include:

- Universal Testing Machine (UTM)
- Concrete Mixer and Compression Testing Machine
- Surveying Instruments (Total Station, Theodolite, Dumpy Level)
- Soil Testing Equipment
- Aggregate Impact and Crushing Testing Machines
- Hydraulic Engineering apparatus

Mechanical Engineering Laboratory

Major equipment and facilities include:

- Lathe Machines and Milling Machines
- Drilling Machines and Grinding Machines
- Internal Combustion Engine Test Rig
- Heat Transfer and Thermal Engineering apparatus
- Strength of Materials Testing Equipment
- Workshop and Fabrication tools

Electrical Engineering Laboratory

Major equipment and facilities include:

- Electrical Machines (AC & DC Motors, Transformers)
- Power Electronics Training Kits
- Digital and Analog Electronics Trainer Kits
- Electrical Measurement Instruments
- Power System Simulation equipment
- Control Systems laboratory setup

Computer Applications (MCA) Laboratory

Major equipment and facilities include:

- Advanced computer systems with updated software
- Programming tools and development environments
- Database management systems
- Networking and web development tools

Management (MBA) Laboratory / Facilities

Major facilities include:

- Computer-based Business Analytics tools
- Presentation and seminar facilities
- Case study discussion and simulation tools
- Internet-enabled computer systems for management research

List of Experimental Setup in each Laboratory / Workshop

The institute provides well-equipped laboratories and workshops to facilitate practical learning, experimentation and research activities for students of various programmes including **B.Tech (Computer Science & Engineering, Cyber Security, Artificial Intelligence & Machine Learning, Civil Engineering, Mechanical Engineering, Electrical Engineering)**, **M.Tech (CSE – AI & ML)**, **MCA and MBA**. The laboratories contain modern experimental setups and software tools that enable students to gain hands-on experience and practical knowledge in their respective disciplines.

Computer Science / AI & ML / Cyber Security Laboratory

Experimental setups include:

- Programming experiments using C, C++, Java and Python
- Data Structures and Algorithm implementation
- Artificial Intelligence and Machine Learning experiments
- Cyber Security experiments including network security and ethical hacking basics
- Database Management System experiments
- Computer Networks simulation and configuration
- Data Science and Big Data analysis experiments

Civil Engineering Laboratory

Experimental setups include:

- Soil testing experiments (moisture content, compaction, shear strength)
- Concrete testing experiments (compression, slump test, workability test)
- Surveying experiments using total station and leveling instruments
- Hydraulic experiments related to fluid flow and open channel flow
- Material testing experiments for aggregates and construction materials

Mechanical Engineering Laboratory

Experimental setups include:

- Strength of Materials experiments
- Heat transfer and thermal engineering experiments
- Internal combustion engine performance testing
- Fluid mechanics experiments
- Workshop practice including fitting, machining and fabrication operations

Electrical Engineering Laboratory

Experimental setups include:

- Electrical circuit analysis experiments
- Transformer and electrical machine testing
- Power electronics experiments using rectifiers and inverters
- Control systems experiments
- Electrical measurement and instrumentation experiments

MCA Laboratory

Experimental setups include:

- Programming and software development experiments
- Database design and implementation
- Web development and networking experiments
- Data analytics and application development experiments

MBA Laboratory / Facilities

Experimental setups include:

- Computer-based data analysis and business analytics tools
- Case study analysis and management simulation exercises

enrolled students of the institute have successfully created their ABC IDs through the official ABC portal.

Furthermore, the institute has ensured that 100% of the students from the last three academic years have been registered under the Academic Bank of Credits system. The respective ABC IDs of all students have been properly generated and maintained in the institutional academic records.

This initiative facilitates digital storage, transfer, and redemption of academic credits, enabling students to benefit from the flexibility and mobility provisions of the National Education Policy (NEP) 2020.

Games & Sports Facilities

The institute encourages students to actively participate in sports and recreational activities for their overall physical fitness, mental well-being, and team-building skills. Adequate facilities are available for both indoor and outdoor games within the campus.

For indoor sports, the institute provides facilities for games such as Ludo, Chess, and Carrom, where students can engage in strategic and recreational activities during their leisure time.

For outdoor sports, the campus offers space and arrangements for games like Cricket, Football, and Volleyball, allowing students to develop physical strength, coordination, and a spirit of teamwork.

The institute regularly motivates students to participate in sports activities and friendly competitions, promoting a healthy, active, and balanced campus life alongside academic excellence.

Enrolment & Placement Details (Last 3 Years)

The institute maintains a systematic record of student enrolment and placement activities for every academic year. The data presented above reflects the enrolment strength of the institute and the performance of students in placement opportunities over the past three academic years.

The institute encourages faculty members to actively engage in research activities and consultancy assignments to promote academic excellence, innovation, and industry collaboration. Faculty members are motivated to undertake research projects, case studies, and consultancy services that contribute to the advancement of knowledge and practical solutions to industry and societal challenges.

Through such initiatives, the institute aims to strengthen the linkage between academia and industry, enabling the application of theoretical knowledge to real-world problems. Consultancy works and research-based activities also provide opportunities for faculty and students to gain practical exposure, develop analytical skills, and contribute to professional and technological development.

The institute continues to support and promote research-oriented initiatives, collaborative projects, and consultancy services in order to enhance the overall academic environment and institutional growth.
