The Grievance Redressal Cell of the Institute is reconstituted in supersession with earlier office order No. IIMT/GRC:138/2023 dated 18/10/2023 with immediate effect for Two years. The Institution is committed to provide a safe and congenial learning atmosphere for the students. The Grievance Redressal Cell facilitates the resolution of grievances in a fair and unbiased manner, maintaining necessary confidentiality as the case may be. Any student with a genuine grievance can submit his/her grievance in writing or fill up the online grievance submission form available on the college website.

Objectives of the Grievance Redressal Cell

- To ensure a fair, impartial and consistent mechanism for redressal of varied issues faced by the students
- To promote cordial and harmonious relationships between the different stakeholders
- To encourage students to express their concerns freely and openly without the fear of being victimized
- To ensure that grievances are resolved promptly, objectively and with sensitivity and in complete confidentiality

Grievance Redressal Mechanism at the Institution Level

- In accordance with the provisions of AICTE, Student Grievance Redressal Cell is constituted at the commencement of every academic year. The Student Grievance Redressal Cell probes into student grievances and tries to resolve the issues in a time-bound and confidential manner. It aims to redress grievances at individual and class level and also grievances of common interest.
- Students can address or raise their concerns online through the link provided in the college website for submitting their grievances. The Student Grievance Cell Convener periodically checks if any grievances are submitted.
